CIVIL NO. JFM-98-4168 ✓

and

CIVIL NO. JFM-99-1956

**ORDER**

By consent of all parties, I will stay this matter until June 30, 2001. The Joint Status Report filed by the parties on June 1, 2001 says that Thomas Glynn requests a further stay to September 1, 2001, but gives no reasons. In the absence of any rationale I will not stay the case for an additional two months over the objection of all parties but one. Accordingly, by the United States District Court for the District of Maryland, it is hereby ORDERED that:

1) All proceedings in these actions BE, and the same ARE, hereby STAYED until June 30, 2001; and that

2) Counsel submit a joint status report at the end of that period.

June 11, 2001
